## DIAMOND MATCH™ DELUXE A MATCH MADE IN HEAVEN!

Bridge the gap between classic slot with innovation and a brand-new Deluxe package of visuals and features that improve player experience and increase win potential.

The core mechanics are maintained as Diamond Match symbols on the bottom reels collect corresponding prizes from the top reels.

Land big prize symbols in a new deluxe feature that increases the player's chances to win bigger prizes.

Mega Match is a deluxe feature that covers the entire top reels with prizes and guarantees at least one full stack of Diamond Match collectors on the bottom reels.

During the Free Games feature, all the Diamond Match symbols stay on the reels, moving one reel to the left on each subsequent spin. The mega match and big prize symbols play a major part of the Free Games experience. The Arrow symbol moves all Diamond Match symbols directly below it all the way back to renew their collecting potential.
