MEGA FIRE BLAZE: 3 WIZARDS™ TRIPLE THE MAGIC WITH 3 WIZARDS!

This latest addition to the wildly successful Fire Blaze series combines the fun of the Mega Fire Blaze Hold & Respins with the power of the Wizard games!

Red, Green and Blue Wizards populate the reels as expanding WILDS in the main game. If all three Wizards appear in a single spin, they can Nudge in to fill their reels.

Three or more SCATTERS awards the Tree Magic Feature. You can win either the Hold & Respins or one of three Free Game Features - Red, Green or Blue. The Green is the least volatile with more Free Games and fewer extra WILDS. The Red is the most volatile with more extra WILDS and fewer Free Games.

Six or more CRYSTAL BALLS awards the Mega Hold & Respin. Land LIGHTNING BALLS to unlock extra PRIZE rows. Land a RED Wizard to win up to 10 Extra Prizes. Land a GREEN Wizard to win a high-paying Golden Egg. Land a BLUE Wizard to multiply all prizes on a random reel. All this plus all the classic Fire Blaze goodies people love!

ENGAGE

Lower volatility games offering smaller, but more regular wins, with a range of and/or frequently triggering features. These games are typically acquisition titles, designed to create variety and excitement for new players.

BALANCED

Games with a more medium volatility feel, usually offering some feature variety and less frequent, but generally bigger, wins than Light games. Balanced games are likely to appeal to slightly more experienced players, offering less playing time for the same money, but a greater chance of bigger wins.

PURSUIT

Features and wins occur less frequently in Pursuit games, but are typically more lucrative when they do; as such, these higher volatility slots appeal to more experienced players happy to wait for feature rounds and big wins.
