

QUAD LINK RED™

Step into the mystical woods alongside Little Red and unlock the extraordinary Triple Way gamified jackpot! This isn't your ordinary jackpot; it's a triple-tiered, symbol-driven progressive marvel that unfolds right from the heart of the base game.

Five dazzling Diamond symbols trigger not one, not two, but four 3x3 Hold N' Spin arrays, each holding the secret to those coveted jackpots. Here's the twist: fill any array and you're in for a jackpot bonanza!

The Hold N' Spin feature is like a magical gateway to fortune. Not only can it unleash any of the Triple Way Jackpots™, but it also sprinkles bonus rewards whenever it graces the reels.

This newly released Jackpot provides instant feedback to players on how to win and more importantly how close the Jackpots are to winning. Line-triggered Free Games provides unique gameplay and can trigger up to 300 Free Games to really amp up the wins.
