MACABRA LINX™

FELIZ DIA DE LOS MUERTOS!

Macabra Linx™ is the newest game in the Wild Linx series. This feature-rich celebration of the 'Day of the Dead' festival includes two Free Games features, the on-reels Wild Linx feature and a Feature Bet option that activates a Respin Second Chance feature.

Landing three Scattered Marigolds gives you a choice between five Free Games with extra chances to win the Wild Linx feature or six Free Games with a floating MEGA symbol.

The Wild Linx feature, available in the main game and Free Games, is triggered when Wild "X" or Circle symbols appear on all reels. Wild Linx pays all cash on symbols displayed. The MINI, MINOR, MAJOR or GRAND can be won if a Gold "X" is part of your feature trigger.

Activating the Feature Bet awards a Respin if you miss the Wild Linx feature by one reel. All Cash symbols are held while the dud reel is spun again for a second chance.

ENGAGE

Lower volatility games offering smaller, but more regular wins, with a range of and/or frequently triggering features. These games are typically acquisition titles, designed to create variety and excitement for new players.

BALANCED

Games with a more medium volatility feel, usually offering some feature variety and less frequent, but generally bigger, wins than Light games. Balanced games are likely to appeal to slightly more experienced players, offering less playing time for the same money, but a greater chance of bigger wins.

PURSUIT

Features and wins occur less frequently in Pursuit games, but are typically more lucrative when they do; as such, these higher volatility slots appeal to more experienced players happy to wait for feature rounds and big wins.
