

GO JOKER GO™

A true 3 reel stepper with a symbol driven progressive jackpot awarded by three GOLD JOKERS on a line. Three BLUE JOKERS award the bonus prize of 100x bet. The Jack in the Box feature, triggered by scattered 7s, can award credit prizes, free games, the Bonus or the Jackpot. Each game has line multipliers that multiply wins up to 100x making for some tense volatility and excitement.

The Jackpot in the Box feature presents 3 cards. The player touches each card to reveal the prize behind. If the Rainbow card is presented the player knows they are in for an exciting feature.

All JOKERS are wild and the ALL JOKER Free Games are ones not to miss. This new release jackpot provides instant feedback to players on how to win and more importantly how close the Jackpots are to winning. It ties directly into the Solar Eclipse jackpot infrastructure.
