Dear All. Well, that's it! It has been an enormous task putting this catalogue together. I would like to thank all the contributors for supplying their lists but we feel now, we are working very close to capacity! Also, a special thanks to Paul (the printer) for his unstinting work in producing the catalogues and offers lists! This venture was never set up to be a great money making thing, just something to try to help fellow collectors and now I've virtually retired from my full time job, I'm beginning to feel this is now taking over my life! Anyway let us wish you all now the compliments of the season and a last reminder that we are collecting subscriptions for 2025 (£25) Thanks Dorian.
